Narrative (1)

10/04/2022

FACTS:

On 10/03/22, I was working uniformed patrol for the City of Orange Police Department. I was driving a marked police vehicle equipped with a functioning Axon audio/video system, unit #1787. I was also wearing my department issued uniform which consisted of the following: a blue uniform shirt with a patch on each shoulder that reads, "Orange Police;" a police badge which reads, "Police Officer Orange Police 1559;" a black duty gun belt; blue uniform pants, black boots and my department issued body-worn camera ("BWC"). Both my vehicle's Axon system and my BWC were activated during this incident. The following is a synopsis of my involvement in this incident. For direct quotations or a chronological sequence of events, refer to my related Axon footage.

At approximately 2354 hours, I responded to the intersection of Main St. and Collins Ave. to assist Officer Roldan with a traffic enforcement stop. While I was still responding, Officer Roldan broadcast via radio a request for additional units, "Code 3." I activated my overhead emergency lights and siren, and responded to assist Officer Roldan.

Case #:22-10-0118

Incident #: 22-10-0118.001

Upon arrival, I saw Officer Roldan holding down a female subject, later identified as Lexus Ray, in the roadway, on the driver's side of a black Hyundai Elantra. RAY repeatedly screamed out loud and appeared to be in an extremely agitated state. Additionally, RAY had tucked her knees towards her chest and was tucking her hands into her abdomen. I held RAY down on the right side of her body and repeatedly asked her to calm down. RAY disobeyed my order and continued to resist by tucking her hands into her abdomen. I applied pressure to RAY's upper back with my left shoulder to flatten her onto the ground as I pulled her right arm from underneath her body. When I had removed RAY's right arm from underneath her body, I stopped applying pressure with my shoulder and position her arm behind her back. Officer Roldan placed a handcuff on RAY's right wrist and Officer Castaneda, who later arrived, placed a handcuff on RAY's left wrist while Officer Roldan held RAY's left arm behind her back. Officer Castaneda and I stood RAY up, escorted her out of the roadway and sat her down on a nearby curb. Due to RAY's continued screaming, Officer Castaneda and I placed RAY in the rear seat of my patrol vehicle.

OFD responded to medically assess RAY for injuries. RAY refused to answer any of the paramedics' triage questions and became verbally hostile towards them, so OFD left the scene.

Officer Roldan later arrested RAY for PC 148(a)(1), PC 241(c), PC 243(b) and PC 69. See Officer Roldan's incident/arrest report for further details.

On October 3, 2022, I was working uniformed patrol for the City of Orange Police Department. I was

CA

wearing a navy long sleeve with "Orange Police" patches on each side of my shoulder and my badge was over my left chest. I was wearing a department issued equipment belt, my gun in a holster on the right side of my waist and taser on the left side of my waist. I also had handcuffs, extra magazines, and police radio on my duty belt. I was driving a marked black and white police vehicle equipped with overhead emergency lights, unit #1826. My vehicle was equipped with a working Mobile Audio and Video (MAV) system, and my Body Worn Camera (BWC), which were both activated. Prior to the start of my shift, I tested my overhead emergency lights and sirens and they worked correctly.

At approximately 2351 hours, I observed a black Hyundai (Texas license plate RTN 4522) driving westbound on Collins Ave. in the #1 lane. The vehicles' speed was approximately 20-25 mph in a 40 mph zone. The vehicle drove to the #1 westbound lane and I followed the vehicle. The traffic signal turned red and the vehicle stopped approximately 65 feet from the limit line on Collins Ave. There were no other vehicle around at the time and the vehicle stopped in a no stopping zone. The traffic signal immediately turned green and the vehicle was still stopped approximately 65 feet from the limit line, a CVC violation of 21451(a). The vehicle was stopped for approximately 25 seconds and proceeded straight and stopped at the limit line for the red light. The traffic signal phased to a green light and the vehicle did not proceed straight or turn. Based on the females unusual driving, I believed she was possibly under the influence of alcohol/controlled substance. After approximately 7 seconds, the female driver opened the door and I activated my overhead emergency lights and initiated a traffic stop.

I contacted the driver, who was later positively identified by her CDL as Lexus Thomeka Ray (CDL F4256621). Ray's front driver door was open, her left leg was out of the vehicle while her right leg was inside her vehicle. I asked Ray if she was lost because she was stopped at a green light and that was unusual. Ray seemed agitated and told me she was trying to figure out who was following behind her and that she was "terrified". I asked Ray if she wanted to pull into a safe spot to talk as I pointed across the street to a lit up parking lot. Ray refused and repeatedly stated she was trying to figure out who was following her and that I was scaring her. Ray got back into her vehicle and I spoke with her while standing between her and her open door. I told Ray that I am a Police Officer with Orange Police Department and she continued to say she was scared of me. I repeated myself and told Ray I am a Police Officer and I stopped her because she was stopped at a green light (CVC violation of 21451(a)) and asked her for her driver's license. Ray stated, "I do, but I don't need to give it to you". I asked Ray five more times to provide me with her driver's license and she refused, a CVC violation 12951(b).

Ray told me to move as she attempted to close her driver side door with her left hand. I told Ray not to close her door as I grabbed onto her left wrist to prevent her from closing the driver door. Ray pulled away and stepped out of her vehicle. Ray was standing approximately 3 -5 inches away from me and stated, "Do not touch me, back up" as she flailed both her hands towards me, hitting my arms and chest. I attempted to pull Ray away from her vehicle to prevent her from re-entering. Ray used her right arm to hold onto her door from preventing me from pulling her away. During the brief struggle, my body worn camera fell face up and captured some of the incident. While attempting to pull Ray away from her vehicle to prevent her from reentering, Ray swung her right hand towards my face while she held her iPhone in her hand. Ray struck my left side of my forehead above my eyebrow with her iPhone. I sustained an approximate 1" raised contusion to my forehead. I immediately used my right fist to hit Ray's left side of her face to gain compliance. Ray refused to let go of the door and I used my right leg to

**Orange Police Department**

leg sweep Ray to gain compliance. Ray fell to the ground between the #1 and #2 westbound lane and I fell on top of her. I told Ray several times to stop resisting and she continued to scream and pull her arms away from me. Ray had tucked her knees towards her chest and was tucking her hands into her abdomen as I attempted to pull her hands behind her back. I used my right fist to hit the left side of Ray's face to gain compliance as she continued to scream and I was able to grab onto her left hand. I held Ray's body down until Officer Hernandez arrived.

Officer Hernandez arrived and held Ray down on the right side of her body and repeatedly asked her to calm down. Ray continued to disobey orders and continued to resist by tucking her hands into her abdomen. I placed a handcuff on Ray's right wrist and Officer Castaneda, who later arrived, placed a handcuff on Ray's left wrist while I held Ray's left arm behind her back. Officer Hernandez and Officer Castaneda stood Ray up, escorted her out of the roadway and sat her down on a nearby curb. Due to Ray's continued screaming, Officer Castaneda and Officer Hernandez placed Ray in the rear seat of Officer Hernandez' patrol vehicle.

Orange Fire Department arrived on scene and attempted to access Ray. Ray refused to answer their questions and refused medical attention.

Refer to Officer Hernandez' supplemental report for further.

There were no witnesses to the incident.

Officer Castaneda took photographs of my injuries. I sustained an approximate 1" raised contusion to the left side of my face above my eyebrow, a small laceration to my right index finger, a swollen left pinky and a 4" x 5" bruise to my left bicep. Ray denied any injuries. The photographs were later uploaded into DIMS at OPD.

I later arrested Ray for PC 148(a)(1), PC 241(c), PC 243(b) and PC 69. I read Ray her Miranda Rights per OPD Form 5.11. Ray refused to speak with me and asked for my sergeant. Sergeant Sellers was standing behind me and attempted to speak with Ray, but she refused to speak with him.

During the struggle with Ray, she assaulted me with her iPhone. I collected her iPhone and later booked it into evidence at OPD.

Ray was later transported to OCJ where she was booked for the above violations.

**STATEMENTS:**

See above statements.

**EVIDENCE:**

I booked Ray's iPhone into evidence at OPD.

**DIPOSITION:**

I request filing against Ray for PC 148(a)(1), PC 241(c), PC 243(b) and PC 69.
